Speaker...

Art Mattson

Art Mattson has been the Historian of the Village of Lynbrook for 20 years and a long-time Board Member of the Historical Society of East Rockaway and Lynbrook. He is a retired banker, world-traveling motorcyclist, and the author of two books on Long Island history including *The History of Lynbrook* (available at Amazon.com).

Lynbrook's commitment and sacrifice to our allies in World War I was so great that, during the war, the French government sent their ambassador and the officers of a French battleship out to Lynbrook to thank us.

Join us at the Lynbrook Library to learn the many ways that the men and women of Lynbrook earned this high praise.
